

## COVID-19 Organization Donation List

RentPath Gives Back has financially supported various organizations across the US during this crisis and our donation list still continues to grow. Thanks to our employee contributions, we have been able to continue supporting our mission of eradicating homelessness as well as donate to organizations that provide relief to food insecurity and help support the elderly population around the nation. ### Here are the organizations we've donated to thus far:

- In our ongoing efforts to help end homelessness, we have continued donating to organizations such as the [Covenant House \(Atlanta\)](#) which is one of the few organizations that provide homeless youth between the ages of 18 and 21 with crisis shelter and the skills needed for a more hopeful future. In addition, we have also contributed to the [Nicholas House](#) which assists homeless families in making the transition from homelessness to self-sufficiency in a structured but home-like environment through one of several housing programs, the [Veterans Empowerment Organization](#) which helps empower veterans along their journey to self-sufficiency, and the [Urban League of Portland](#) whose mission is to empower African-Americans and others to achieve equality in education, employment, health, economic security, and quality of life.
- In an effort to combat hunger, RentPath Gives Back has donated to multiple food banks across the US such as [Atlanta Community Food Bank](#), [Reflection of Trinity \(Atlanta\)](#), [No KID Hungry \(Phoenix\)](#), [Home Plate Youth Services \(Portland\)](#), [Oregon Food Bank](#), [New York Food Bank](#), [California Association of Food Banks](#), [Feeding Louisiana](#), [Community Foodbank of New Jersey](#), [Move for Hunger](#)
- RentPath Gives Back has also helped fight senior hunger and isolation by supporting [Meals on Wheels \(Atlanta\)](#), [Meals on Wheels for Seniors \(Phoenix\)](#), [Citymeals on Wheels \(New York\)](#), [St. Vincent Meals on Wheels \(California\)](#)

### How to get involved:

The RentPath Gives Back team strongly encourages you to send in suggestions of organizations we can help support through funding. While we can't fulfill every request, we promise to review and evaluate all of them. We ask that you keep in mind that our primary focus is the homeless population as well as organizations that are scaled so our dollars have the biggest impact. We are also focused on working directly with organizations on the ground rather than fundraisers by other companies.
